

WHAT IS IT? (RATIONALE)

Many people will want to answer all the questions, while someone else never gets a chance to answer. This activity will allow everyone in the class a chance to answer the questions being asked.

ADAPTATIONS

Allow the students to roll the dice instead of the teacher

Have the students ask the questions from a list instead of the teacher

GETTING STARTED (PROCEDURES & MATERIALS)

The desks should be arranged into rows and columns. The teacher will roll one die for the row number and one die for the seat number. That student will have to answer the question.

No equipment necessary
